The year 2016-2017 was a joyful year for the association of EEM. The successful journey of the department has started in the year 2001 and still keeping on achieving its glory in all endeavours. Various programs have been conducted during this year.

➤ ASSOCIATION INAUGURATION

This association aims at enhancing the technical knowledge of students by conducting various programs like organizing expert lectures, workshops, seminars, industrial visits, Intra & inter department technical competitions and in bringing out the passion, intelligence and creativity in them for bridging the gap between Academics & Industry. It also helps to create the ability to understand and effectively communicate engineering and related concepts, nurture entrepreneurship and leadership qualities to enhance their roles in providing service to the society. The academic activities of the year 2016-17 were formally inaugurated by prof. Jacob Koshy, former faculty of the Dept. of physics Amala. V.R (2013-16) was felicitated the occasion who secured first rank in the university examinations

➤ WELCOME TO NEW COMERS

A warm welcome was given to first semester students with inspiring words from the coordinator smt. Rani Mohan and other teachers of the department

➤ Entry level test

An entry level test was conducted for the first semester students to understand their knowledge about electronics, physics, maths and computer

➤ Class Teacher in Charge

First BSc - Smt. Rani Mohan

Second BSc- Smt.Supriya Kurian

Third BSc- Miss. Elsa Varghese

➤ **CHRISTMAS CELEBRATIONS**

We celebrated Christmas on December 23. Dr. K. V. Saban, Principal gave the Christmas message. The highlight of celebration was the crib making competition. Students of EEM celebrated Christmas with joy and enthusiasm on 20th December 2016. A beautiful crib and a Christmas tree were made by the students. Cakes were distributed on the day. Students sang various Christmas songs.

➤ **EUREKA-2016**

An exhibition was conducted in the department on November 3& 4 under the guidance of Dr. Jochan Joseph, HOD of physics

➤ **STUDY TOUR**

A combined study tour was conducted for second and third year students. All students enjoyed the four day tour, was to Wayanadu, Ootty, and Wonderla. The students were accompanied by smt. Rani Mohan and Mr. Sebastian Thomas

➤ **SPORTS**

For the all-round development of the students, the college provides student centred sports and cultural activities. This will help the students in exploring their hidden talents. Apart from participating in these events, the students also get a firsthand experience of organizing and managing the events. Students are able to nurture their intellectual, organizational and social skills like self-discipline, the ability to cope with criticism, leadership quality, interpersonal communication, team spirit, sharing success and failure and accepting responsibility. Our students actively participated in various sports & games conducted on 27 January 2017

The following events have been organized for the inter-class sports tournaments for students: cricket• volleyball• table tennis• chess• athletics• tug of war

➤ **FAREWELL FOR OUTGOING STUDENTS**

In an emotionally surcharged atmosphere inside the auditorium, the students and teachers of the EEM department of 2014-2017 batches had a grand farewell on

12th March, 2017. Token of love and appreciation was given to the outgoing students by their juniors. Some exciting games were also arranged for the outgoing students like musical chair, Balloon blowing etc. and were enjoyed by all. A video presentation was done by the junior students making the day memorable both for outgoing batch and the teachers.

With sincere regards
