

MATLAB

CERTIFICATE COURSE IN MATLAB

**INAUGURATION ON
2024 AUGUST 19**

(15 hr theory + 15 hr practical)

- **Key Features Include :-**
Math and computation,
Modeling, Simulation

Course Coordinator
Mr. Jijo Joy

St. Aloysius College, Edathua, Alappuzha

AFFILIATED TO MAHATMA GANDHI UNIVERSITY / NAAC RE-ACCREDITED WITH 'A' GRADE (4th CYCLE)

Celebrating 60 Years

of dedication to the Higher Education Mission

**POSTGRADUATE DEPARTMENT OF
MATHEMATICS**

DEENA C. SCARIA
HOD

PROF. DR. INDULAL G.
PRINCIPAL

Report on the Inauguration of MATLAB Certificate Course at St. Aloysius College, Edathua

Date: August 19, 2024

Venue: Mathematics Lab, St. Aloysius College, Edathua

Time: 1:45 PM

The Postgraduate Department of Mathematics at St. Aloysius College, Edathua, proudly inaugurated a certificate course in MATLAB for its postgraduate students on August 19, 2024, at 1:45 PM. The event took place in the Mathematics Lab and was attended by faculty members and students

The course was inaugurated by the course instructor, **Sri Jijo Joy**, who is known for his expertise in MATLAB and its applications in mathematical computations. Sri Jijo Joy will be leading the course, which is designed to provide a comprehensive understanding of MATLAB, a high-performance language for technical computing.

The course has a total duration of 30 hours, evenly split between theory and practical sessions. Students will benefit from 15 hours of in-depth theoretical instruction, followed by 15 hours of hands-on practical experience. This balanced approach ensures that students not only understand the fundamental concepts of MATLAB but also gain the necessary skills to apply these concepts in real-world scenarios. The course is expected to significantly enhance the computational skills of the students, thereby opening up new avenues for academic and professional growth.
