## Report on "Onnichoronam" - The Onam Festivities of the Mathematics Department

**Date:** September 9, 2024

**Venue:** III DC Classroom, St. Aloysius College, Edathua

The Mathematics Department at St. Aloysius College, Edathua, celebrated the vibrant festival of Onam with great enthusiasm under the banner of "**Onnichoronam**" on September 9, 2024. The festivities brought together faculty and students for a joyful cultural event, fostering unity and tradition.

The celebration began with a warm Onam greeting from Mrs. Deena C. Scaria, the Head of the Department, who extended her heartfelt wishes for the festival and underscored the significance of Onam in promoting togetherness and cultural heritage.

The event featured a range of traditional performances that captivated the audience. Highlights of the celebration included:

- **Onappattu Performances:** A series of traditional Onam songs that filled the room with festive spirit and energy.
- **Thiruvathira Dance:** A graceful and cultural dance performance that added a touch of elegance to the celebrations, reflecting Kerala's rich heritage.

In addition to the cultural performances, the event also included a variety of enjoyable games, which brought laughter and excitement to the participants. These activities helped create a sense of camaraderie among the students and faculty, making the celebration even more memorable.

The festivities concluded with a grand **Onam Sandhya** (traditional Onam feast), which was relished by all attendees, marking the event with flavors of Kerala's traditional cuisine.

Overall, "**Onnichoronam**" was a vibrant celebration of culture, joy, and togetherness, successfully blending tradition with the spirit of festivity. The event not only enriched the cultural experience of the department but also strengthened the bonds between its members.
