Intra-Departmental Quiz Report: International Pi Day Celebrations

Date: March 14, 2025

Venue: Second B.Sc. Mathematics Classroom, St. Aloysius College, Edathua

The Department of Mathematics at St. Aloysius College, Edathua, celebrated International Pi Day on March 14, 2025, with a series of engaging activities aimed at fostering mathematical curiosity and enthusiasm among students. A key highlight of the celebration was the intra-departmental quiz competition, which attracted enthusiastic participation from students across various departments.

Key Event: Intra-Departmental Quiz

The quiz was designed to test participants' mathematical knowledge, especially focusing on Pi-related questions, problem-solving skills, and logical reasoning. The event provided a dynamic platform for intellectual exchange and friendly competition among students.

Mr. Harikrishnan, the faculty coordinator, served as the quiz master, ensuring a well-structured and stimulating contest. The participants showcased their analytical skills and quick thinking throughout the competition.

Winners:

First Prize: Jeena Jolly and Jintu Jolly

Second Prize: R. Yadukrishnan and Manju Madhu

Third Prize (shared)

Abhijith T.H. and Abhishek R.

Josmy Antony and Amritha V. Nair

The event concluded on a high note, with the winners being felicitated for their outstanding performance. The celebration of International Pi Day successfully fostered a spirit of mathematical enthusiasm and camaraderie among students. The Department of Mathematics looks forward to organizing more such events in the future to encourage analytical thinking and problem-solving skills among students.
