**"A lamp can never light another lamp unless it
continues to burn in its own flame"**

Prof. Sabu Jacob

Prof. Sabu Jacob was a man who lived upto this dictum. He burned the midnight oil to kindle the lamp of knowledge in the hearts of his students. He rendered a meritorious service of more than three decades (1982-2013) to the Department of Physics. He led a humble life and his thoughts touched great heights. Prof. Sabu Jacob left foot prints in the sands of time and no one can ever fill his vacant place.
