

ALUMNI GATHERING

On **January 30, 2025**, the **Department of Chemistry** hosted a memorable alumni gathering, rekindling the bond between former students and their beloved alma mater. The event, held within the department, commenced with a heartfelt welcome from **Mr. Jaimin George**, the esteemed Head of the Department.

The reunion was an emotional and nostalgic affair, bringing together graduates from various years who eagerly reminisced about their college days. The gathering was filled with **laughter, shared experiences, and a strong sense of camaraderie**, as attendees joyfully exchanged stories and cherished memories from their time on campus.
