

Association Inauguration and Freshers' Day

on 12th July 2024 the Department's Association was inaugurated with an invited talk by Mr. Tonny C. Kallukalam, CA, who spoke on "How about Money Mastery - Building Financial Literacy for a Bright Future." The session was aimed at helping students gain insights into financial management and literacy.

In the afternoon, the 2nd and 3rd-year students extended a warm welcome to the first-year students. The event provided an opportunity for freshmen to showcase their talents and interact with their senior peers, creating a positive and engaging atmosphere.
