

Diamond dual-Annual Alumni Meet Department of Physics

The 26th Annual Alumni Meet of the Department, *Diamond Dual*, was successfully held on 8th February 2025 at 2:00 PM at Fr. Punnapadom Hall. The event brought together alumni, faculty members, and current students, fostering a spirit of camaraderie and nostalgia.

A significant highlight of the event was the commemoration of **Prof. James Lukose**, a revered academician whose invaluable contributions to the department have left an indelible mark. Alumni and faculty members shared heartfelt memories, reminiscing about his dedication to education and the profound impact he had on generations of students. Many attendees expressed gratitude for his mentorship and the inspiration he provided throughout his tenure.

The event commenced with a welcome address, followed by engaging speeches from distinguished alumni who recounted their experiences and professional journeys. The gathering also featured discussions on the department's progress, upcoming initiatives, and opportunities for alumni involvement in academic and mentoring programs.
