

CHRISTMAS CELEBRATIONS 2024-25

The college-level Christmas festivities, known as "Silent Night," were held on December 18, 2024, at the College Portico. A range of events was planned as part of the celebrations, adding to the festive cheer.

At the department level, the Christmas celebrations took place on the same day, where Mr. Princemon Philip delivered an inspiring Christmas message. The joyous atmosphere was further enriched by the exchange of gifts among students and teachers, the delightful taste of Christmas cake, and the melodious rendition of Christmas hymns.
