

### **DEEKSHARAMBH: Induction Programme for Freshers**

On July 4, 2024, the department hosted an orientation program for newly enrolled students. The primary objective of the event was to introduce students to the new MGU-UGP programme. Additionally, sessions were conducted on various topics including MOOCs, modes of assessment, and prospects for higher education in chemistry. The sessions were led by Mr. Jaimin George, Mrs. Alphy Jose, and Mr. Princemon Philip. The program concluded with a tea session.
