

## **ONAM CELEBRATIONS**

On September 11, 2024, the Department of Chemistry celebrated AARPO 2024 in honor of Onam. The festivities began with students captivating the audience through an enchanting onappattu performance. Mr. Jaimin George, Head of the Department, extended warm Onam greetings in his address, highlighting the festival's spirit of unity and brotherhood. In addition to the Onam message, students organized a variety of cultural performances and Onam-themed games, creating a vibrant and enjoyable celebration for both faculty and students.
