Inter-Departmental Quiz Report: National Statistics Day Celebrations

Date: July 05, 2024

Venue: Fr. Punnapadom Hall, St. Aloysius College, Edathua

On July 05, 2024, the Department of Mathematics at St. Aloysius College, Edathua, celebrated National Statistics Day with a series of engaging activities. The main highlight was an inter-departmental quiz that tested participants' knowledge and problem-solving skills, fostering a platform for friendly competition and intellectual exchange.

Key Events

1. Inter-Departmental Quiz

Students from various departments actively participated in the inter-departmental quiz. This event not only assessed their understanding of statistical concepts but also provided an opportunity to apply their knowledge in problem-solving.

Highlights

- **Active Participation:** Students demonstrated a keen interest in the quiz, showcasing their grasp of statistical concepts and their problem-solving abilities. The quiz promoted healthy competition and encouraged teamwork among participants from different departments.

Conclusion

The National Statistics Day celebrations at St. Aloysius College, Edathua, were a great success, thanks to the enthusiastic participation of both students and faculty members. The inter-departmental quiz highlighted the importance and beauty of mathematics, offering valuable opportunities for learning and collaboration.
