Thou art the ruler of the minds of all people,
Thou Dispenser of India's destiny.
Thy name rouses the earth of Punjab, Sind, Gujarat, Maratha

I. ST. ALOYSIUS COLLEGE , EDATHUA

1. PROFILE

St. Aloysius College, Edathua is a first grade college which has completed five decades of glorious service to the cause of higher education. Now, it is a well-established NAAC re-accredited (4th phase) – A Grade centre of learning offering a variety of UG, PG and Ph. D Programmes.

The college is situated in the Edathua Panchayat of the Kuttanad Taluk in the lake district of Alappuzha. It is the only temple of higher learning of the kind in the entire region of the one-time granary of Kerala, Kuttanad. Standing atop the main building of the college, there is a panoramic view of the paddy fields, clothed in the richest green. The luxuriant greenery, meandering rivulets and the placid tranquillity altogether provide a congenial atmosphere for learning and development.

St. Aloysius College was founded in 1965 by St. George's Forane Church, Edathua. It was the realization of the vision and far sightedness of late Very. Rev. Fr. Zacharias Punnappadom (the first Manager) and Dr. P.T. Joseph (the first Principal) under the patronage of Servant of God Mar Mathew Kavukattu. The great visionaries had in their mind the noble task of imparting quality higher education in the backward agrarian region of Kuttanad which lacked any facility for higher education. The college, though run by the catholic minority community, admits students of all castes and creeds with due respect to different faiths and religious denominations.

The College had a very humble beginning. It started functioning in St. Aloysius High School as a junior college affiliated to the University of Kerala with 189 students, 9 teachers and 7 non-teaching staff. In 1966, the college was shifted to the present site. The institution owes an immense debt of gratitude to late Very Rev. Fr. Cyriac Kottayil who in his capacity as the manager was instrumental in erecting the main building of the college. In 1983, following the bifurcation of Kerala University, the college came under the jurisdiction of the newly established Mahatma Gandhi University.

To meet the ever growing demand for higher education in the region, the college was upgraded in 1977 by introducing undergraduate program in Economics. Post graduate program was introduced in 1984. The College hasnow grown into a premier educational institution and it has now to its credit 9 UG, 5 PG and 2 Ph. D programs.

4. Internal Complaint Committee/ Anti-Harassment Committee

The aspect of women's progress and development is related to the standard of women's freedom, security, aspirations and above all, dignity. Maintaining the dignity of human life by giving totally conducive physicals social, political and economic opportunities to realize the fullest potential is an ideal. The judgment of the supreme Court of India, Vishaka versus the State of Rajastan, dated August 13, 1997, makes it legally as well as morally imperative upon

all institutions where women are employed, to provide a safe working environment. This landmark judgment makes it clear that each incident of sexual harassment is a violation of fundamental rights of "Gender Equality" and the "Right of Life and Liberty". Another judgment of Supreme Court on 21 January, 1999 (Apparel Export Promotion Council vs. Chopra) has stated that sexually harassing behaviour is incompatible with the "dignity and honour of a female" and needs to be eliminated as there is no compromise on such violations. In accordance with The Sexual Harassment of Women at workplace (prevention, prohibition and Redressal) Act, 2013 St. Aloysius College Edathua has constituted an Internal Complaint Committee.
